	OES Group National - Total for May, 2014*				53-7064	672,020	683,916	
							-	-

* Includes both Full and Part-Time Workers

80.1% Estimated Full-Time

19.9% Estimated Part-Time

0.2% Estimated Self-Employed

From standard estimate process, the JBP method estimated a total of 557,456 of the 672,020 for this OES Group. This is 82.9% of the total group.

Therefore, 18.1% of the group is not accounted for using the JBP method.

** Not included in these estimates is the impact of temporary workers (NAICS 5613 - Employment Services).

When this industry is added to the mix (for Hand Packagers), an additional 18.8% of employment is accounted for.

Adding this raises the employment estimate of Hand Packagers from 50,992 to 177,452 (to a total of 26.4% of employment).

After adding NAICS 5613 to Hand Packagers, the total estimate by JBP for this OES group climbs by 126,582 to 177,452

The totals change substantially and JBP ends up overestimating employment by about 1%

75.9% of employment in this group can be attributed to 3 occupations: Bagger (grocery stores) and Hand Bander (many industries) + Hand Packager
